1. Aim

Our Centre aims to:

- Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for Centre activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for Centre activities in maintained Schools in England.

3. Definitions

- Charge: a fee payable for specifically defined activities
- Remission: the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The Management Committee

6. Where charges can be made

Below we set out **what the Centre can charge for**:

6.1 Education

- In general, it is the Centre's policy not to charge students for specific materials, ingredients, and visits where these are a planned part of the curriculum.
- AWPU - The Centre will charge schools where a managed move of a student has taken place and the student remains dual registered with their original school. The charge will take effect once the student is on roll at the Centre and the school is invoiced termly.
- Any damage to Centre equipment or premises may result in parents being invoiced for the price of replacements or the costs of repairs (including labour charges).
- Should any student fail to attend an exam they have been entered for the Centre reserves the right to charge for the appropriate fee to recoup losses.
- Requesting a remark or scrutiny of results may result in costs being charged to parents, generally costs are met by the Centre at the Head of Centre's discretion.
- A charge may be made should an exam fall outside of standard regulations or require additional preparation.

6.2 Residential visits

The Centre can charge for board and lodging on residential visits, but the charge must not exceed the actual cost. This is at the Head of Centre's discretion and will be communicated to parents in advance of finalising the residential trip's participants.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the Centre is able to ask for voluntary contributions from parents to fund activities during Centre hours, which would not otherwise be possible. NHESC asks parents for voluntary contributions to cover the vast array of experiences we offer all students on roll.

See section 6.1 of this policy.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. If the Centre is unable to raise enough funds for an activity or visit, then it will be cancelled.

8. Activities this Centre charges for

The Centre will charge for the following activities:

See section 6.1 of this policy.

9. Remissions

In some circumstances, the Centre may not charge for items or activities set out in sections 6 and 8 of this policy. This will be at the discretion of the Management Committee and will depend on the activity in question.

- Universal credit in prescribed circumstances
- Income Support
- Income Based Jobseekers Allowance
