Support Service Parent /Carers

North Herts Primary Support Service (NHPSS) is a commissioned service providing social, emotional and mental health (SEMH) support for pupils in Letchworth, Baldock and Royston partnership areas.

Three of the Partnerships of the local DSPL (Letchworth, Baldock and Royston, the Tri-Partnership) have:

'Commissioned North Herts Education Support Centre (NHESC) to provide appropriate outreach support on behalf of the learners using High Needs Block funding'

NHESC having been commissioned, have created the North Herts Primary Support Service (NHPSS) to provide primary support services to Letchworth, Baldock and Royston schools.

The baseline outcomes are that pupils worked with by the NHPSS will make positive progress and achievement engage in learning as a result of the work done with their social, emotional and mental health difficulties, allowing them to access a full curriculum by helping to remove their barriers to learning
