Information for students, parents, teachers and employers

We are always looking for new opportunities for our students. If you could offer support for our careers programme we would love to hear from you.

Some of the ways you could help us are:

- Provide interview practice to students
- Deliver a presentation or talk to our students about your experience in work
- Deliver a school assembly
- Run a CEIAG themed workshop at one of our Get Work Ready days
- Offer work experience placements, ranging from a couple of hours to several weeks.

You can find a copy of our Careers programme through this link:
